

What is YachtSafe?

Allianz is always there to take your worries away when you are on the waves. That's why we have YachtSafe, a comprehensive yacht insurance policy that takes care of your yacht and let you have peace of mind. With Allianz you get one of the most comprehensive boat insurance policies available at a competitive premium, plus additional benefits free of charge.

What does YachtSafe have to offer?

YachtSafe provides for the following coverages:

- Physical loss of or damage to the Vessel caused by accident;
- Latent defect in the Vessel;
- Negligence;
- Theft of the entire Vessel;
- Theft of any part of the Vessel properly protected;
- Malicious acts of third parties;
- Rodents;
- Authorised users of the Vessel in respect of their legal liability.

What are the additional coverages available?

For an additional small premium, YachtSafe can provide the following additional coverages:

- Physical loss of or damage to the Vessel caused by war, civil disturbance and terrorism and whilst on charter;
- Physical loss of or damage to the Trailer;
- Physical loss or damage to Personal Property on board the Vessel;
- Liabilities to and of waterskiers.

What are the unique features of YachtSafe?

With YachtSafe, you can enjoy the benefits of some unique features of this cover:

- No-Claims Bonus gives you a 5% reduction for the first claim-free year and an additional 5% for every subsequent claim-free year, up to a maximum of 20%;
- Protected No-Claims Bonus allows you to continue enjoying this Bonus even if a claim is made during the policy period (max 1 claim);
- Marina Benefits allows you to retain your No-Claims Bonus even if a claim is made to your yacht when it was moored or ashore at the Marina.

What can YachtSafe provide in the event of an accident?

As much as purchasing an item is important, equally important is the after-sales service. On the same note, the claims service that YachtSafe provides is second to none. This service includes:

- A dedicated 24 Hours Emergency Claims Helpline manned by a professional and reputable maritime surveying company;
- Highly experienced marine surveyors at the helm;
- Relaying of messages to family and friends in the event of an accident.

With such impeccable service, there's no easier and hassle-free way of notifying claims when at sea!

Please note that the above coverages is always subjected to the Warranties, Exclusions and other terms of the Policy. This is a buyer's guide and not a contract of insurance and as such, is subject to change and does not detail all aspects of the cover. Please refer to a copy of our policy wordings, which is available upon request, for details of the coverage, conditions and limits.

Additional Information

Declaration

I hereby declare that, to the best of my knowledge and belief the above particulars and answers are true and that I have not withheld any information calculated to influence the decision of the underwriter with regards to this proposal.

This proposal form is an important document. In the Proposal Form we ask questions which we consider are material to our assessment of the insurance risk for which you are proposing. A material fact is one which influences a reasonable and prudent Insurer in accepting the risk or in assessing the premiums.

Any indication of premium given by us is given in good faith but there will be no Insurance Contract between us until we have notified you that we have accepted your proposal and have advised you of the premium that we charge for insuring your vessel and you have accepted our quotation.
